

Operational continuity is valued high by Hytech.

We know how vital it is, to be able to give a quick spare- or replacement part services.

That is why we carry an extensive stock of all sorts of plumbing.

Be it steel, brass, aluminiumbronze, stainless steel, needle valves, relief valves, ball valves, plug valves, check-valves, relief valves, tubing, for a variety of sizes and pressures.

Down time costs a lot of money and unplanned down time can be no less than disastrous. Rely on our wide stock for your spare-or replacements.

We always carry an extensive stock of the following brands: Swagelok, Whitey, Nupro, Cajon, Sno-Trik, Parker, Dyna-quip, Tungum, etc. etc.

Also Hytech has inhouse-facilities to machine special parts, such as:

- manifolds
- fittings
- special valves
- through hull penetrators
- door assemblies
